# Bible Study Color Code Printable

Dear Teacher Friend,

Thank you so much for downloading the “Marked by Grace & Color” Bible Study Color Code! Whether you’re using this tool for your own quiet time, Bible journaling, a classroom devotional, or family study, this system is designed to help you (and your students!) interact with God’s Word in a hands-on, meaningful way.

This color code system encourages readers to slow down, reflect, and notice important patterns and themes throughout Scripture. With just 8 simple colors, students can begin to identify key truths and dive deeper into their understanding of God’s character, His promises, and His instruction for living.

What’s Included:

Bible Study Color Code Chart (choose your own 8 colors)

Optional: Matching Color Swatch Page for testing and organizing your selections

Suggested Color Themes:

(Feel free to adjust to meet your needs!)

Yellow - Characteristics of God

Red - Direct Commands

Blue - Promises of God

Orange - Warnings

Purple - Prayers

Green - History & People

Pink - Righteous Characteristics

Navy Blue - Important to Remember

Students (or you!) can use any set of colored pens, pencils, or highlighters. As you read, highlight verses according to the theme that stands out. This is a great tool for independent study, Bible journaling, or class devotionals.

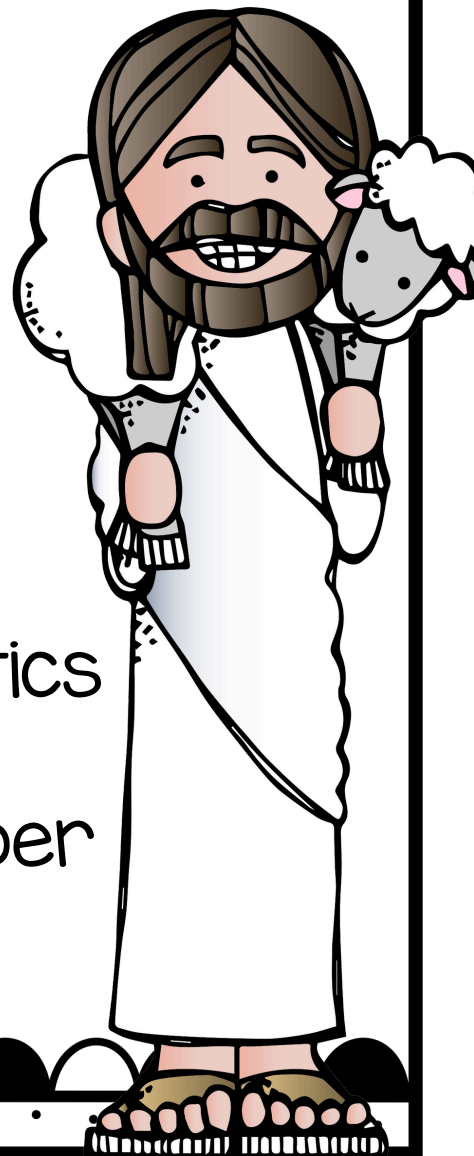

I hope this resource blesses your time in the Word and creates meaningful moments of connection and reflection—whether you're leading others or simply wanting to slow down and hear God's voice.

Keep praying & playing the Berry Best Way,  
Miss Merry Berry
